

SALT/GRIT BINS

Robust, economically priced salt bins. Ideal for many sites, e.g. Factories, car parks, hospitals and schools etc., and an excellent complement to the Bunce Epoke range of salt spreaders. (e.g. the Epomini range)

Epomini 5

Epomini 20

DIMENSIONS	IMP6	IMP12
CAPACITY:	170 litres (6ft ³)	330 litres (12ft ³)
APERTURE: mm	500 x 850	500 x 1150
HEIGHT AT FRONT: mm	470	550
HEIGHT AT REAR: mm	670	750

LID: Secure, water resistant & close fitting. Double wall construction helps make it vandal resistant. Optional lock available. Grit/salt lettering.

ACCESS: Full width, easy access aperture. A strong, non corrosive, plastic hinge allows full 270 degree drop over action.

CONSTRUCTION: Made from robust, non corrosive, weather resistant, ultra violet stabilised polythene which helps protect from potential damage when struck.

STORAGE: Easily stackable to save space when not in use.

COLOUR: Yellow as standard. Other colours available.

HANDLING: Recess for mechanical handling e.g. By forklift. Bins can be moved when fully loaded.
